

Acceptance Forms for return a product to EMEC s.r.l.

(See download: www.emecpumps.com)

Dear Customer,

In order to guarantee the quality and the promptness of the service provided, we kindly ask you to attach both the forms below, to the goods you intend to return to the EMEC production plant, located in Via Donatori di Sangue n.1, in Rieti.

1) Return Form

It will allow to analyze the procedure to be applied upon the return of the goods and to avoid the delay in execution times

2) Declaration of Decontamination

Because of legal regulations, the cleaning and the decontamination of all goods that must be returned to EMEC is a User's responsibility. This form will allow to analyze the hazardous nature of the chemical which have come in contact with the products, ensuring us the application of the most appropriate equipment to protect our employees.

The form must be fully completed and ATTACHED together with the related waybill . The presence of the Declaration of decontamination is crucial for the opening of the packages and the processing of the related order.

If the shipment consists of several packages, a single form must be completed for each product to be returned / repaired

For any further information and for electronic submission of the Forms , please refer to the FAX number or the e-mail address below
